To shield the guilty parties, the well authenti-

vigorously denied. The Enquirer will continue to expose this unpardonable crime until Arr. Millersburg .. by the full restoration of silver to its old companion hip with gold. We SOUTH-BOUND. need the assistance of the people in disseminating the truth, to which end we invite all in your selection of pa-, pers for the coming season to include the Enq irer, that costs only \$1.00 a year. (I sued twice a week.) Liberal commissions and cash re-

wards given to club raisers. Sample copies free. ENQUIRER COMPANY, C' cinn ti, O.

Harper's Magazine

IN 1895.

The Simpletons, a new novel hy Thos. llardy, wil be begun in the December number, 1804, and continued to November 1805 Whoever may be one's favorie among English novelists, it will be conceded by all critics that Thos. llardy stands foremost as a master artist in fiction, and the Simpletons may be expected to arouse enthusiasm not interior in degree to that which has marked Trilby-the most site cessful story of the year. Another leading feature will be the Personal Recollections of Joan of Arc, by the Sieur Louis de

Northern Africa is attracting more attention than at any other time since it was the seat of emp res. The next volume it Harper's Magazine will contain four it us trated articles on this reg on, and three cr them will depict the present life ther Inlian Ralph will prepare for the Magazine a series of eight stories, depict g typical phases of Chinese Life and Marners. besides the long stories there was Legin in the January munber the first class ard Harding Davis-the longest work vir attempted by this writer. Complete shirt stories by popular writers will contin e be a feature of the Magazine.
